

Dear Families,

In response to the respiratory illness caused by Coronavirus (COVID-19), we would like to assure the public that we are following recommended guidelines provided by the Centers for Disease Control (CDC) and Prevention and local health authorities.

The CDC has advised people to take precautions in light of the coronavirus outbreak and that the best way to prevent illness is to avoid being exposed to this virus. Therefore, effective immediately, we will be conducting day to day business primarily by telephone and email. For families who need to make immediate arrangements for services we ask that you call **(707) 678-5578** to schedule.

Persons who have been diagnosed with, or have had contact with, anyone who has been diagnosed with the coronavirus, and persons with apparent symptoms of COVID-19, such as fever, severe cough, or shortness of breath are asked not to attend services.

We are sorry for this disruption and encourage you to contact us if you have any questions or need to make burial arrangements. **(707) 678-5578** info@silveyvillecemetery.com
